

ISO 4032, Sechskantmutter, M 20, 8, blank

Artikel-Nr.  
14403220

Gewicht in kg  
0

Zolltarifnummer  
73181692

Material  
Stahl

Güte  
8

Beschichtung  
blank

Durchmesser  
20 mm

Produktdetails

|                  |                |
|------------------|----------------|
| Material         | Stahl          |
| Kraftangriff Typ | Außensechskant |
| Höhe h           | 18 mm          |
| Norm             | ISO 4032       |
| Durchmesser      | 20 mm          |
| Güte             | 8              |
| Kraftangriff s   | SW 30          |
| Beschichtung     | blank          |
| Durchmesser d    | 20 mm          |
